1. Basis of contract.

1.1 These Conditions apply to the Contract to the exclusion of any other terms that the Customer seeks to impose or incorporate, or which are implied by trade, custom, practice or course of dealing**.**

1.2 The Supplier's employees and agents are not authorised to make any representations concerning the Goods unless confirmed in writing by the Supplier. In entering into the Contract the Customer acknowledges that it does not rely on, and waives any claim for breach of, any such representations which are not so confirmed.

1.3 Any advice or recommendations given by the Supplier or its employees or agents to the Customer or its employees or agents as to the storage, application or use of the Goods which is not confirmed in writing by the Supplier is followed or acted upon entirely at the Customer's own risk, and the Supplier shall not be liable for any such advice or recommendation which is not so confirmed.

1.4 Any typographical, clerical or other error or omission in any sales literature, quotation, price list, Order Confirmation, Specification, invoice or other document or information issued by the Supplier shall be subject to correction without any liability on the part of the Supplier.

2. Goods

2.1 The Goods are described in the Specification.

2.2 When the Customer wishes to place an order for Goods, it shall send an order to the Supplier. An order shall be treated as an offer by the Customer to contract with the Supplier but shall not be binding until accepted by the Supplier in the Order Confirmation. The Supplier is under no obligation to accept an order from the Customer.

2.3 The Supplier reserves the right to amend the Specification if required by any applicable statutory or regulatory requirements.

3. Delivery

3.1 The Supplier shall use reasonable endeavours to deliver the Goods at the location set out in the Order Confirmation or such other location as the parties may agree (**Delivery Location**).

3.2 The Supplier will have fulfilled its contractual obligations in respect of each delivery provided that the quantity actually delivered is no greater than 10% more or less than the quantity specified in the Order Confirmation. The Customer shall pay for the actual quantity delivered.

3.3 Any dates quoted for delivery are approximate only, and the time of delivery is not of the essence. The Supplier reserves the right to withhold delivery of the Goods if payment is overdue for any Goods ordered by the Customer from the Supplier.

3.4 Where the Goods are to be delivered in instalments each delivery shall constitute a separate contract and failure by the Supplier to deliver any one or more of the instalments in accordance with these Conditions or any claim by the Customer in respect of any one or more instalments shall not entitle the Customer to treat the Contract as a whole as repudiated.

3.5 If the Customer fails to take delivery of the Goods, or fails to give the Supplier adequate delivery instructions at the time stated for delivery then, without prejudice to any other right or remedy available to the Supplier, the Supplier may: (a) store the Goods until actual delivery and charge the Customer for the costs (including insurance) of storage; or (b) sell the Goods and, after deducting all storage and selling expenses, charge the Customer for any shortfall below the price.

3.6 The Customer shall, within seven days of the arrival of each delivery of the Goods give written notice of rejection to the Supplier on account of any defect by reason of which the Customer alleges that the Goods delivered do not comply with the Warranty and which was apparent on reasonable inspection.

3.7 The Supplier is not liable for damage or loss of all or part of the Goods in transit unless the Customer gives the Supplier written notice of the damage within twenty four hours of the arrival of each delivery.

3.8 If the Customer fails to give notice as specified in clause 3.6 then, except in respect of any defect which is not one which would be apparent on reasonable inspection, the Goods shall conclusively be presumed to comply with the Warranty and, accordingly, the Customer shall be deemed to have accepted the delivery of the Goods in question and the Supplier shall have no liability to the Customer with respect to that delivery (except in relation to liability for any latent defects).

3.9 If the Supplier fails to deliver the Goods for any reason other than any cause beyond the Supplier's reasonable control, the Supplier's liability shall be limited to the amounts paid by the Customer to the Supplier for the Goods in advance of delivery.

4. Title and risk

4.1 The risk in and responsibility for the Goods shall pass to the Customer once they have been delivered to the carrier appointed to deliver the Goods to the Delivery Location or at the time of delivery (whichever occurs first).

4.2 Title to the Goods shall not pass to the Customer until the Supplier has received payment in full of all monies owed by the Customer to the Supplier.

4.3 Until ownership of the Goods passes to the Customer, the Customer shall hold the Goods on the following terms: (i) the Goods shall be stored separately from other goods and shall be clearly identified as the property of the Supplier; (ii) the Goods will be adequately stored and maintained in a satisfactory condition; and (iii) each Good will be insured for an amount at least equal to the price as set out in the Specification.

4.4 The Customer shall not be entitled to pledge or in any way charge by way of security for any indebtedness any of the Goods which remain the property of the Supplier, but if the Customer does so all monies owing by the Customer to the Supplier shall (without prejudice to any other right or remedy of the Supplier) forthwith become due and payable.

5. Import Licences

5.1 Where relevant, the Customer is responsible for obtaining, at its own cost, such import licences and other consents in relation to the Goods as are required from time to time and, if required

by the Supplier, the Customer shall make those licences and consents available to the Supplier prior to the relevant shipment.

6. Price and payment

6.1 The price of the Goods shall be the price set out in the Specification.

6.2 The Supplier shall be entitled to invoice the Customer for the price on or at any time after delivery of the Goods, unless the Goods are to be collected by the Customer or the Customer wrongfully fails to take delivery of the Goods, in which event the Supplier shall be entitled to invoice the Customer for the price at any time after the Supplier has notified the Customer than the Goods are ready for collection or (as the case may be) the Supplier has tendered delivery of the Goods.

6.3 The Customer shall pay the price of the Goods within 30 days of the date of invoice to the bank account nominated in writing by the Supplier. Time of payment is of the essence.

6.4 The Customer shall pay to the Supplier the total amount of each invoice in the currency specified on the invoice, notwithstanding that delivery may not have taken place and that property in the Goods has not passed to the Customer.

6.5 All amounts of money referred to shall be interpreted as being amounts exclusive of value added tax, any similar sales tax or any tax that replaces such sales taxes. Any such tax shall be paid in addition to the price.

6.6 All amounts due under these Conditions shall be paid in full without any set-off, counterclaim, deduction or withholding.

7. Quality

7.1 The Supplier warrants that on delivery the Goods shall conform in all material respects to the Specification (**Warranty**). All other warranties or conditions (whether express or implied) as to quality, condition, description, compliance with sample or fitness for purpose (whether statutory or otherwise) other than those expressly set out in this Contract are excluded to the fullest extent permitted by law.

7.2 The Customer shall be entitled to reject any quantity of the Goods which do not comply with the Warranty, provided that any purported rejection is made no later than 7 days from the date of delivery.

8. Intellectual Property Rights

8.1 The Customer acknowledges that: (a) the Intellectual Property Rights are the Supplier's (or its licensor's) property; (b) nothing in this agreement shall be construed as conferring any licence or granting any rights in favour of the Customer in relation to the Intellectual Property Rights. The Supplier asserts its full rights to control the use of its trade marks within the EEA and the Customer shall assist the Supplier as required in preventing parallel importers from diluting the Supplier's rights; and (c) any reputation in any trade marks affixed or applied to the Goods shall accrue to the sole benefit of the Supplier or any other owner of the trade marks from time to time.

8.2 The Customer shall not repackage the Goods and/ or remove any copyright notices, confidential or proprietary legends or identification from the Goods without the Supplier's prior written consent.

8.3 The Customer shall promptly and fully notify the Supplier of: (a) any actual, threatened or suspected infringement of any Intellectual Property Rights which comes to the Customer's notice; and (b) any claim by any third party that comes to the Customer's notice that the sale or advertisement of the Goods infringes the rights of any person.

9. Liability

9.1 The Supplier's total liability in contract, tort (including negligence), misrepresentation or otherwise in relation to the Contract shall in no circumstances exceed 100% of the price paid for the Goods.

9.2 Where any valid claim in respect of any of the Goods which is based on any defect in the quality or condition of the Goods or their failure to meet the Specification, the Supplier shall be entitled to replace the Goods (or any part in question) free of charge, or at the Supplier's sole discretion, refund to the Customer the price of the Goods (or a proportionate part of the price) and the Supplier shall have no further liability to the Customer.

9.3 The Supplier shall not be liable to the Customer for: (a) any indirect, special or consequential loss or damage; or (b) loss of data or other equipment or property; or (c) economic loss or damage; or (d) incurring of liability for loss or damage of any nature whatsoever suffered by third parties; or (e) any actual or anticipated profit, interest, revenue, anticipated savings or business or damage to goodwill, even if the Supplier is advised in advance of the possibility of any such losses or damages.

9.4 Nothing in these Conditions shall exclude or limit (a) either party's liability for death or personal injury caused by its own negligence; (b) either party's liability for fraud or fraudulent misrepresentation; or liability for breach of any other liability which cannot be excluded by law.

9.5 These Conditions set forth the full extent of the Supplier's obligations and liabilities to the Customer. There are no conditions, warranties or other terms, express or implied, that are binding on the Supplier except as specifically stated in this agreement. Any condition, warranty or other term concerning the Goods which might otherwise be implied into this agreement is expressly excluded.

10.2 **Indemnity.**

10.2.1 The Customer shall indemnify the Supplier against all liabilities, costs, expenses, damages and losses (including but not limited to any direct, indirect or consequential losses, loss of profit, loss of reputation and all interest, penalties and legal costs (calculated on a full indemnity basis) and all other professional costs and expenses) suffered or incurred by the Supplier arising out of or in connection with this agreement.
